

# Califa Group Purchase

It's that time again....AWE is pleased to extend a **Califa group purchase discount** ("CLA") to members of Califa. The CLA will run from **October 16<sup>th</sup> through November 25<sup>th</sup> 2009**. This outstanding offer provides all libraries and schools with some of the same purchasing power to that of very large systems. Unit quantities of orders that arrive during the Group Purchase will be totaled. If the total number of purchases during the special is greater than 9 Early Literacy Station™ units, each library or school receives a 5% discount, if the total number of ELS units purchased exceeds 24 units then every purchase will include a 10% discount, and so on according to the thresholds listed below.

You will be invoiced directly after your order has been shipped. Your order will be added to the CLA Special cumulative total (of all CLA orders received **October 16<sup>th</sup> through November 25<sup>th</sup>, 2009**). This total number of ELS units purchased (Early Literacy Station™ & ELS Bilingual Spanish™) will determine your total discount (see pricing information below). This total discount will be included with your invoice.
